CRAFT FAIR A SUCCESS!!

from Kay Hardisky, Craft Fair Chair

Thank you Ridgely Families for another successful Craft Fair! We exceeded our fundraising goal and will be able to fully fund our PTA budget. We had a beautiful day, great vendors, silent auction, bake table and many parent, student and teacher volunteers. I hope you had a good time and if you did not make it, I encourage you to attend next year. While I don't have room to list everyone who made it happen I would like to recognize my committee chairs without whom the Craft Fair would not have happened.

Special thanks to:

Vendor Coordinator -Julie Raynor. - She sold every spot - some of them twice when people canceled at the last minute.

Silent Auction Coordinator - Lynn Waugh-Orlando- She organized another fantastic silent auction.

Food Coordinator - Terri Smith - She organized the food and recruited help to run the breakfast AND lunch tables.

Advertising Coordinator -Janelle Glassman - She jumped in and helped with advertising and the the breakfast table.

Vicki Kegriss & Jean Tompane - Jumped in and helped with food - breakfast and lunch.

Robin Karner & Patty Tate - Our money managers - kept busy making change for everyone and counting the money.

Brenda Hayasaka - Who sent me many volunteers - staff and students to help.

Chris Chambers - She has been working tirelessly to get the Spiritwear Order Form ready to go and get samples in time for Craft Fair.

Greg Paranzino – who took care of the signage and all around helper.

Char Coal Deli – who provided us with great food and once again donated a portion of their proceeds to Ridgely PTA.

Thank You to all of our 2010 Craft Fair Silent Auction Donors

Imagine going through last winter without gloves or mittens.

Sadly, many Baltimore-area adults and children do not have the financial resources to purchase a new pair of gloves or mittens for protection from the snow and bone-chilling cold weather. In addition, many of these individuals remain homeless throughout the winter months.

But now, you can help.

Join Greater Chesapeake Hand Specialists and Ridgely Middle School in our **Warm Hearts = Warm Hands project**

Please donate new or gently used gloves or mittens before November 12th for distribution to local organizations that serve the needy in Baltimore County and Baltimore City.

ALL SIZES AND SHAPES ARE WELCOME - Adult gloves greatly appreciated.

DELIVER THE ITEMS TO:

HAND • WRIST • ELBOW • SHOULDER

**1400 Front Ave. • Suite 100
Lutherville, MD 21093
410-296-6232**
