### Sponsorship Opportunity

Dear Valued Community Member,

The Ridgely Middle School PTA is holding a fundraiser event at BC Brewery in Hunt Valley on March 1, 2019. Funds generated from *Night Out for Technology* help fund overhead projectors for the classrooms at Ridgely Middle School. We would like to invite your organization to support this event with a monetary donation. This is an excellent opportunity for your business to gain exposure while also helping others in the community. *Night Out for Technology* is an adult only 21+ event and a chance for parents and community members to gather, have some fun and raise money for a cause that will directly benefit the students and teachers at Ridgely Middle School.

All donors will be included in social media posts leading up to the event, emails to all parents and guardians of our 1200+ families, prominent signage at the event and 'thank you' social media posts after we have held the event. Offered below are sponsorship levels that will help us run a successful event, however any and all donations are welcome.
